EIMCO's Business Principles set high standards of conduct for its employees, contractors and suppliers. The company believes that it is crucial that these principles be followed in order to ensure business success.

1. Purpose, Scope and Guiding Principles

EIMCO wants to know about any breach or potential breach of its Business Principles, unlawful conduct, financial malpractice or dangers to the public, the environment, or to anyone working for EIMCO, that may be occurring despite the rigorous compliance procedures of the company. EIMCO's employees therefore have a duty to inform promptly if they have any reason to suspect that there has been a breach or potential breach of the Business Principles or any other misconduct. If an issue is raised internally first, and acted upon, it is likely to reduce any damage that may otherwise occur. Reporting of issues will detect and possibly deter any further wrongdoing.

This Policy explains how employees and any other individual or organization should report their concerns, the types of issues that are covered by the Policy and guidance on how individuals can seek assistance when they have a concern.

EIMCO will not tolerate retaliation against any employee who in good faith seeks advice, raises a concern or reports misconduct.

Responsibility for investigating concerns raised under this Policy rests with the Fraud Investigating Officer, who reports to the Audit Committee for this purpose. The Audit Committee has responsibility for keeping the Policy under review and amending it as necessary.

All concerns raised under the Policy will be monitored to ensure that the company takes appropriate action to redress any issues.

Whistle Blower Policy

2. Scope

The Whistle Blower Policy applies to all employees of EIMCO and any employees working for entities and third parties such as contractors and agency workers.

The duty to report concerns applies to all employees of EIMCO. To fulfill this duty, employees must provide as much information as possible to ensure that a proper investigation can be carried out and must respond to requests for further information as the investigation progresses.

Depending on the terms of their contracts, employees working for entities and third parties such as contractors and agency workers may also have a duty to report concerns under this Policy. Where there is no such contractual obligation, third party workers are encouraged to use this Policy and bring their concerns about EIMCO or anyone acting on our behalf to our attention.

Any other individual or organization such as supplier or family member can also use this Policy to report concerns regarding the conduct of EIMCO or anyone action on our behalf. Such openness can help information reach the management which may otherwise go unnoticed, for example bribery or exploitation of gifts and hospitality.

Details of this Policy can be found on the EIMCO website.

3. Raising concerns – where to go for help

The whistle blowing procedure is intended to be used for serious and sensitive issues. Serious concerns relating to financial reporting, unethical or illegal conduct should be reported in the following manner:

No unfair treatment will be meted out to a Whistle Blower by virtue of his/her having reported a Protected Disclosure under this Policy. EIMCO, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure.

13. Safeguards

Harassment or Victimization

Harassment or victimization of the complainant will not be tolerated.

While it will be ensured that genuine Whistle Blowers are accorded complete protection from any kind of unfair treatment, any abuse of this protection will warrant disciplinary action.

Whistle Blower Policy

Whistle Blowers, who make three or more protected Disclosures, which have been subsequently found to be mala fide, frivolous, baseless, malicious or reported otherwise than in good faith, will be disqualified from reporting further protected disclosures under this policy. In respect of such Whistle Blowers, the Company/Audit Committee would reserve its right to take/recommend appropriate disciplinary action.

Confidentiality

Every effort will be made to protect the complainant's identity confidential to the extent possible and permitted under law.
